Building

Hope.

For 40 years, the Atlanta Children's Day Shelter has been a place of safety, learning, and stability for children and families during life's most uncertain moments.

The Legacy Builders Celebration brings together community leaders, philanthropic partners, and champions who believe in investing with intention — where philanthropy is guided by purpose and impact is rooted in heart.

This milestone is more than a celebration. It is a shared commitment to help keep the gears turning for Atlanta's children.

40 YEARS OF CARE & COMMITMENT

OUR HISTORY

Founded 40 years ago, the Atlanta Children's Day Shelter was created to ensure children experiencing homelessness had a safe place to go — even when everything else felt uncertain.

Over four decades, the Day Shelter has grown alongside Atlanta, strengthening its comprehensive, family-centered approach to help parents secure stability while their young children receive high-quality early learning.

THEN

- Emergency care and safe supervision

NOW

- High-quality early childhood education
- Trauma-informed and therapeutic services
- A two-generation model supporting both children and parents

ALWAYS

- A place where children feel safe, supported, and valued

40 YEARS OF EVOLUTION

Meeting families where they are and *growing* with them.

Purposeful Philanthropy in Action

WHY SPONSORSHIP MATTERS

The work of the Atlanta Children's Day Shelter continues every day — ensuring children can learn, grow, and thrive while families work toward long-term stability.

SPONSORSHIP SUPPORT HELPS:

- Create consistent, high-quality early learning environments
- Provide stability during times of transition
- Support parents on pathways to housing, employment, and self-sufficiency

When philanthropy is guided by purpose and fueled by heart, the impact is lasting — for children, families, and the entire community.

2-GENERATION APPROACH

Supporting children and parents together for long-term *success*

SHAQUIRA,

2024 Legacy Award Recipient,
with her son, Shane

Gears Turning

LEGACY BUILDERS

Celebration

Celebrating 40 Years of Service

April 29, 2026  The Atrium at Uptown Atlanta

ONE EVENING. LASTING IMPACT.

Your sponsorship helps ensure the Day Shelter remains a place where children feel safe, supported, and ready for what comes next.

The Legacy Builders Celebration is an opportunity to:

- Honor 40 years of service
- Celebrate the partners who made it possible
- Invest in the future of Atlanta's children
